GUEST SKATERS AYAN TSAI AND LUKAS POORT

Ayan Tsai, 11 years old, from Brantford, Ontario and Lukas Poort, 12 years old, from Mount Pleasant, Ontario are a Juvenile Pairs team currently training at the Brant Figure Skating Club under Coach Alison Purkiss. The two skaters were brought together in late April 2022 while they were both skating at the Brant Figure Skating Club. Both Ayan and Lukas were skating singles and expressed their interest in trying pairs. Ayan and Lukas have had great success in their first year together by qualifying for Provincials. They hope to continue their success in the years to come and realize their dreams of representing Canada one day.

Goodbye to Coach Courtney Mori!

Courtney Mori started skating at the age of 3 in Pre-CanSkate in Caledonia. Her first Coach Michellie Robertson-Fletcher realized she was teaching Courtney to jump the wrong way....Courtney jumped left....not right! Once they figured that out, coaching and learning was much easier for them!

After several years in Caledonia, Courtney moved to the Mariposa club and began competitive skating. She returned to the Hamilton skating club the next year. During university, Courtney was a member of the Carleton Skating Team.

Over the last number of years, Courtney became a Skate Canada Coach and has been working with CanSkaters and STARSkaters - creating routines and helping them achieve their goals!

Courtney joined WTSC in 2019 and we have never been the same. We will miss her enthusiasm and joy on the ice.

Thanks to Courtney, we now have our CanSkate Elite program.

It is time for the sun to set on Coach Courtney's skating career....for now! We will see what the future holds for our Coach Courtney.
